President W. J. Van Patten. The subject was "The Unity of English Speaking Peoples." During his address Principal George said: In order to speak of an American audience one should breathe the air of New England or imbibe its spirit from father or mother or from both. The next best thing is to be born in the Universe work and in the afternoon addresses were delivered by the officers.

President McKinley Received With Greatest Enthusiasm by Southerners.

The first indication of croup is hoarse-with one another to present the mest ness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this tee having the feature in charge. Decohoarsness is a peculiar rough cough. If rations of every description were seen Chamberlain's Cough Remedy is given as from the rare hot house excites to the soon as the child becomes hoarse, or even hardy plants which had no fear of cold. after the croupy cough appears, it will be prevent the attack. It is used in many portion of the south side, passing out on thousands of homes in this broad land and Peachtree street, which was lined on both never disappoints the anxious mothers, sides with thousands of cheering school. thousands of homes in this broad land and Peachtree street, which was lined on soin never disappoints the anxious mothers, sides with thousands of cheering school. We have yet to learn of a single instance children, all waving tiny flags. The Presin which it has not proved effectual. No ident and escort preceded the parade to other preparation can show such a record the reviewing stand. As each carriage—twenty-five years' constant use, without passed the stand the occupants saluted a failure. For sale by R. B. Stearns & the President and waved flags to which the executive responded graciously,
